| <p>Question 1: <i>The JRA supports the construction of Dunns Creek Road from the Monaro Hwy to Cooma Road to be completed before the 7th year of the Googong town development.</i> Would you act & vote in a manner to help ensure Dunns Creek Road is developed as a condition of any future development of Googong.</p> | <p>YES, I agree. I would vote to support this.</p> <p style="text-align: center;">X</p> | <p>No, I disagree with this proposal.</p> | <p>Sorry, I would have a conflict of interest.</p> |
| <p>How would you help achieve this?</p> <p>I support Dunn's creek Rd. We must wait for the Ministers decision who asked for it to be included in the traffic plan... I believe the developers will be reticent to add the Dunns creek road to their plan but it is going to be necessary for the traffic from the Googong town development. I support any proposal which does not make Jerrabomberra the by-pass for Queanbeyan. .</p> | | | |

| <p>Question 2: <i>The JRA supports Edwin Land Parkway remaining as a community road only, not a 4 lane Queanbeyan bypass. Jerrabomberra must not become a by-pass for Queanbeyan.</i> Would you act & vote in a manner to ensure our suburb does not become a bypass for Queanbeyan or the main road to Googong from the Monaro Hwy?</p> | <p>YES, I agree. I would vote to support this.</p> <p style="text-align: center;">X</p> | <p>No, I disagree with this proposal.</p> | <p>Sorry, I would have a conflict of interest.</p> |
| <p>How would you help achieve this?</p> <p>It makes it difficult when the parkway has been on the plans for many years; we all knew it was going to happen. I am very concerned at the speeds at which motorists and motor cyclists do on this part of the completed road, I am concerned that it will continue to be a speedway and splitting the community in two in such a dangerous manner is a real worry. I agree as above that Dunns creek road or any proposal to support not splitting the community would be the perfect answer. And I would fully support a sensible solution.</p> | | | |

| <p>Question 3: <i>The JRA supports the development of additional community & educational facilities, including a proposed high school to be developed within the Jerrabomberra Valley.</i> Would you act & vote in a manner to ensure these facilities are developed?</p> | <p>YES, I agree. I would vote to support this</p> <p style="text-align: center;">X.</p> | <p>No, I disagree with this proposal.</p> | <p>Sorry, I would have a conflict of interest.</p> |
| <p>How would you help achieve this?</p> <p>I definitely support a High School in our community. It is important for our children to continue to be part of the community and for that to happen we need a High school to compliment our excellent primary school. The children of our community are the heart and soul of this community as they are in any community.</p> | | | |
